Considerable discussion was held on the cost of the new RLWD building, the 2006 transfer of remaining funds in the Maple Lake Project account to include the Lessor Township land sale and the option to appropriate funds from the general fund budget each year or allocate the total deficit balance to the general fund account. A motion was made by Johnson, seconded by Knott, with motion carried to allocate a yearly amount from the General Fund Budget to be determined by the balance of the general fund budget at year end.

President Nelson and staff member Arlene Novak reviewed the Capital Project Funds account balances and recommended transfers. A motion was made by Coe, seconded by Stanley, and passed unanimously to transfer funds from the Capital Projects Funds to individual projects as recommended.

Staff Members Wade Robinson and Kathy Rasch, Clearwater SWCD, were in attendance to discuss funding for a project located in Section 25, Pine Lake Township, that feeds directly to the Silver Creek. The Clearwater SWCD requested a cost share in the amount of $6,000 from the RLWD Erosion Control Projects account. The preliminary cost estimate is $11,000 for reshaping the bank and re-vegetation. Prior work has been completed on this site, but due to design and weather events the bank has failed. Robinson and Rasch stated that consent has been obtained from the landowner and that Pine Lake Township will also cost share on the project. It was the consensus of the Board to have staff members research the remaining 2007 funds available to the Clearwater SWCD with the funds to be considered at a future board meeting.

Legal Counsel Sparby stated that he has not heard anything from the Minnesota Historical Society on the transfer of the old RLWD building.

Manager Knott reported on the RRWMB meeting held on December 18, 2007.
