

Pine Lake Watershed Public Meeting

How Do I Submit Comments?

- Written Comments: Complete and submit this form at the open house or follow the directions on the reverse side of this sheet to mail your comments.
- Electronic Comments: Submit comments by visiting <http://redlakewatershed.org/> and click on the Pine Lake Watershed Project page.

What problems do you believe exist in the upstream watershed?

Are there downstream flooding problems that you would like us to be aware of?

Do you have any suggestions as to how to address problems within the watershed?

How would you like lake levels to be managed?

Are there any non-structural activities that should be considered for this watershed?

Do you agree with the descriptions provided of purpose and need for this project?

Do you have suggestions for changes to the purpose and need for this project?
